Case No. C16-1723RSM

ORDER OF DISMISSAL

21 This matter comes before the Court on Garnishee Defendant Allied Professional  
22 Insurance Company (“APIC”)’s Motion to Stay Proceedings, Dkt. #22, and the Court’s Order  
23 to Show Cause, Dkt. #32. In the Court’s prior Order, the Court reviewed APIC’s Motion and  
24 found that the attached July 28, 2017, Order from a parallel action compelled the instant parties  
25 to go to arbitration on the underlying issues in this case. Dkt. #32. The Court stated its belief  
26 that dismissal of this case without prejudice was warranted, but allowed Plaintiff an opportunity  
27 to respond and show cause why dismissal was not the appropriate next step. *Id.* On August 7,  
28

1 2017, Plaintiff responded and “[gave] notice of his non-opposition to dismissal of the action in  
2 its entirety.” Dkt. #33.

3 Accordingly, the Court hereby finds and ORDERS:

4 (1) This matter is DISMISSED without prejudice.

5 (2) This case is now CLOSED.
